

Do Nguyen Phuong

Intern Front-end Developer / Back-end Developer

Phone: 0917429189
Email: phuong9524hth@gmail.com
Address: Ho Chi Minh, Vietnam
Website: <https://portfolio-phuong9524.vercel.app/>

OBJECTIVE

As an intern developer, my objective is to contribute to innovative software solutions using my technical skills and knowledge. I aim to gain practical experience in front-end or back-end development, improve proficiency in programming languages and frameworks, and enhance problem-solving and teamwork abilities. Ultimately, I strive to establish a solid foundation for a successful career in software development and contribute to the company's growth and success by delivering top-notch software solutions that drive innovation and enhance operational efficiency.

EDUCATION

Ton Duc Thang University
Major: Computer Science
Expected graduation: July 2024
